## EF Solo

Are you struggling to work with your English-speaking clients or colleagues? Do you worry that your emails are not clear? Do you think that improving your English communication will give you an edge in the corporate world and progress your career? If so, we have an English training program just for you!

Join our EF Solo program to get full access to the EF virtual school's digital learning content, interactive lessons, speech recognition-based tasks and lots more. Study at your own pace with thousands of hours of content, monitor your development using online progress reports, and achieve certified results.

### Learn anywhere

Learn anywhere, anytime via EF's mobile app – EF English Live Corporate – available at **Play Store** and **Apple Store**. Take advantage of the short interactive learning exercises that are perfect for completing activities online or offline.

### Course details

- Course duration: 12 months
- Suitable for learning basics or for maintaining your level of knowledge of English
- 24/7 access to the EF virtual school
- Unlimited access to all interactive content:
  - 1,500 hours of General English content
  - More than 500 hours of Business English and industry specific content
- Access to individual course progress report

### How to register

- No approval necessary, no tuition fee
- Simply Register in MyLearning, **click here**. You will receive an email with credentials to access the EF School a few days after you register in MyLearning

“EF virtual school's interface is very interactive, and features rich content on functional and industry-specific courses. The courses are easily accessible via hand-held devices, runs smoothly, and consumes very less data.”

**Yosra EL Shater**, AppsTwo, Morocco
